Faculty Onboarding Guide

Welcome to the **Division of Population Health and Applied Health Sciences (PHAHS)**, Faculty of Medicine at Memorial University.

We are pleased to welcome you to the division. This guide provides an overview of the resources, contacts, and key steps to help you get started and become familiar with the Faculty of Medicine and Memorial University.

Before You Start

Access my.mun.ca

Visit my.mun.ca to access Memorial University's employee portal, where you can:

- View your employee information
- Access university software downloads
- Explore campus resources
- Register for New Employee Orientation
- Access additional employee services

If you are unable to access the portal, contact the **ITS Service Desk**:

- Phone: 709-864-4595
 - Email: help@mun.ca
-

Download the MUN Safe App

Download the **MUN Safe App** to receive:

- Emergency notifications
 - Campus alerts
 - Safety resources
 - Incident reporting tools
-

Explore Memorial University

Become familiar with:

- [Memorial University website](#)
 - [Faculty of Medicine website](#)
 - [PHAHS division website](#)
-

Your First Week

Meet with the Associate Dean

Arrange a meeting with **Dr. Laurie Twells, Associate Dean**.

To schedule an appointment, contact:

Martina Krskova

Administrative Assistant

phahs.admin@mun.ca

Meet with the Division Manager

Schedule an onboarding meeting with **Michelle Brown**, Division Manager.

Email: phahs.manager@mun.ca

During this meeting you will receive an overview of:

- Division staff roles and responsibilities
 - Division website and available resources
 - Computer and technology requests (complimentary laptop or desktop)
 - Building and office access
 - VPN access for remote work
 - MUN Safe App
 - Boardroom and hot desk booking procedures
 - Division meetings
 - Division coffee breaks and social activities
 - Munmed Express, Newsline, Gazette
-

MUN Email

Once you receive your appointment letter containing your MUN ID, contact:

Krista Fowler

Assistant Manager

phahs.assistmanager@mun.ca

If you have not yet received your MUN ID, Krista can assist in determining its status.

Krista will coordinate with Information Technology Services (ITS) to confirm your Memorial email address.

After creating your MUN account, you will be able to access your email.

For assistance setting up your email on a mobile device, contact the ITS Service Desk:

- 709-864-4595
- help@mun.ca

Microsoft 365

Memorial University provides all employees with a Microsoft 365 license.

To install Microsoft Office:

1. Log into **my.mun.ca**
2. Select the **Downloads** tab
3. Download Microsoft 365

Memorial University uses **Multi-Factor Authentication (MFA)** for Microsoft services and email.

You will also need to install the **Microsoft Authenticator** app from the Apple App Store or Google Play Store.

Campus ID Card

After receiving your MUN ID number, follow the [Faculty and Staff instructions](#) provided by the Campus Card Office to obtain your Memorial University identification card.

Payroll, Benefits and Pension

Human Resources manages:

- Payroll
- Employee benefits
- Pension information
- Employee policies

Visit the [MyHR](#) website for information and forms.

Register for Newsline

Stay informed about university announcements, events, and important updates by subscribing to **Newsline**. Email: newsline@mun.ca

Ethics Approval

If your work involves human participant research or you are transferring existing research projects to Memorial University, contact the appropriate ethics office early in your appointment.

Depending on your research, this may include:

- [Health Research Ethics Authority \(HREA/HREB\)](#)
- [ICEHR – Interdisciplinary Committee on Ethics in Human Research](#)

Early consultation is recommended to avoid delays.

Office of Research and Graduate Studies (RGS)

For assistance with:

- Research grants
- Clinical research
- Funding opportunities
- Research resources
- Student funding

Contact:

Catherine Scott, rgsclinresearch@mun.ca
PHAHS grants and clinical research

Amy Carroll, rgsfunding@mun.ca
Financial matters including visiting speakers, student fellowships, SURA and travel

Angela Dunn, rgsresearchmanager@mun.ca
Internal and external research grants, grant opportunities including start-up grant. Research portal guidance.

For additional research resources and other RGS contacts, please [visit their website](#).

Faculty are also encouraged to subscribe to the weekly RGS email containing funding opportunities and research news. Email: rgs@mun.ca

Graduate Student Supervision

Faculty planning to supervise thesis-based graduate students should contact:

Dr. James Valcour

Graduate Program Director, phahs.graddirector@mun.ca

Dr. Valcour can provide guidance regarding:

- Student recruitment
 - Supervisory expectations
 - Thesis procedures
 - Graduate program requirements
-

School of Graduate Studies (SGS)

The School of Graduate Studies oversees graduate policies, academic regulations, and student services across Memorial University.

Faculty supervising graduate students should become familiar with SGS policies and resources.

Undergraduate Medical Education (UGME)

The Undergraduate Medical Education Office supports the delivery of Memorial University's Doctor of Medicine (MD) program.

Services include:

- Course administration
- Educational support
- Learner coordination
- Faculty support for undergraduate medical education

[Undergraduate Medical Education \(UGME\) | Faculty of Medicine | Memorial University of Newfoundland](#)

Office of Professional and Educational Development (OPED)

OPED supports faculty through:

- Faculty development
- Continuing Professional Development (CPD)
- Educational scholarship
- Teaching resources
- Workshops and seminars

Faculty are encouraged to explore the many professional development opportunities available.

Learner Well-Being and Success (LWS)

Learner Well-Being and Success supports medical learners through:

- Wellness initiatives
- Academic accommodation
- Learner support services
- Personal and academic well-being resources

Faculty are encouraged to become familiar with these services when supporting learners.

Brightspace

Brightspace provides access to:

- Course management
-
- New Employee Orientation
- Teaching resources
- Promotion and Tenure information
- Faculty development materials

Faculty are encouraged to explore the available training and self-directed learning modules.

Dean's Office

The Dean's Office provides leadership and administrative oversight for the Faculty of Medicine.

Dean: Dr. Stuart Carney

Faculty are encouraged to become familiar with the Dean's Office and its services.

[Office of the Dean | Faculty of Medicine | Memorial University of Newfoundland](#)

For Faculty Affairs support, contact: **Melissa Smith**, mdsmith@mun.ca

PHAHS Boardroom

The primary PHAHS meeting room is **4M220**.

To obtain booking access through the Outlook calendar, contact:

Martina Krskova

phahs.admin@mun.ca

Faculty of Medicine Room Bookings

Meeting rooms, teaching spaces, laboratories, and event spaces may be reserved through the Faculty of Medicine.

For reservations or questions regarding room capacity, technology, or set-up, contact:

medroombooking@mun.ca

Parking

To request a parking permit, email, parking@mun.ca, include: full name and employee number. Parking Services will notify you when your permit is ready for pickup. Please note, one parking permit is issued per employee.

Bicycle racks and secure bike lockers are also available.

Library Services

PHAHS Librarian: Kristine Rommel, kromme@mun.ca

Resources that support research (and they also have resources that support teaching)

- The library houses the collections (e.g., articles, databases etc.)
- Support knowledge synthesis – e.g., systematic review and meta-analysis
- Supports and provide training on data management for research data (e.g., data repository)
- It is the go-to for open access publishing
- The library can host journals and it does host the medical school journal
- It can provide training in citation management
- Provide information on generative AI

Website: <https://www.library.mun.ca/hsl/>

PHAHS Staff and Faculty Directory

The online PHAHS Staff and Faculty Contact Directory provides contact information for faculty and staff across the division and is a useful resource for locating colleagues and departmental contacts.

<https://munphahs.github.io/ContactDirectory/>
